

Prayer Breakfasts During Lent

CHURCHES TOGETHER IN LONGDENDALE and GLOSSOPDALE

This is an opportunity for the churches in the valley to gather together to pray for our community's, nation and world as we prepare ourselves for Easter.

Following on from last year, the Churches of the Two valleys are meeting to pray together during Lent, to pray for our area and our mission, for the Church and the world. These will take place early in the morning to allow people to go before setting off for work. The format is that we meet at 7.15am to pray, and then breakfast is served at 8am (ish) for those who can stay, and those who need to get on, can carry on with their day.

Very relaxed and informal, everybody welcome.
