

YOUNG PEOPLE OF HOLLINGWORTH, THERE'S A BUS IN TOWN; A BUS YOU CAN'T MISS...

Have you seen it?

The giant, black double-decker with EDEN plastered on the side? It is here every Tuesday until Easter and it is here for you! So, let's find out what has happened so far...

The first three weeks with the Eden Bus in town have been so much fun! We have met, over twenty fantastic young people from the local area, shared lots of laughs, had great conversations and received really encouraging feedback from the young people that have dropped-in, as well as their parents.

So, what is on offer for young people during the drop-in time (3 - 4.30 pm)?

The bus has loads of entertainment onboard to enjoy with friends, including:

- Nintendo Switch Mario races
- Xbox Fifa '18 matches
- Singstar karaoke
- A nail bar
- An indoor climbing wall & slide
- A music mixing deck

During the drop-in, we also offer a ten minute 'God Slot' and time to chat. The messages shared by the team so far have covered: our value to God, God's forgiveness and God's peace. We are so encouraged and thankful that we can share good news and a positive message of hope that can help young people in their day-to-day lives. Our passion is helping young people to discover their passion and purpose in life and so it is important to us that we allow time to listen, to help answer any burning questions and to share with whoever wants to learn more about why we are here with the bus!

The amazing support we have received from the Gun Inn, Smithy Surgery, local-residents and parents has been overwhelming and deserves a huge THANK YOU; our prayers have been answered in so many ways and we are very thankful. We would love to see even more young people enjoying the benefits of having the bus here in Hollingworth, so please encourage those who would like to come along and check it out (anyone in year 7-11 is welcome). Our ambition is to bless and encourage the young people of the area and we hope everyone there will benefit in some way as a result.

Eden Bus youth drop-in, every Tuesday until Easter (except half-term), 3 - 4.30 pm, located in the car park for the Gun Inn, Cannon St...you can't miss it!

Your prayers for this project would be appreciated. Please pray for the team of leaders and for the children who we hope will use this facility.

If you're secondary school age, we hope to see you there!
