

Hollingworth

Summer 2019

We are organising prayer walks around our community this summer, and would love for as many people as possible to get involved.

What is prayer walking? Prayer walking is a simple and powerful way of listening and talking to God about the area/community that you are walking through.

What are we praying for? We are wanting to pray 'Your Kingdom come' for all areas of our community, we are praying for blessing, wholeness, light etc for the places and people.-

How does it work? We'll gather in prayer and praise for a while at church, then we'll go out in groups around different areas of the village and quietly, or silently pray as we feel God leads us to in different places.

Who can get involved? Anyone who wants to or get better at praying – we'll all be learning together 😊

When will it happen? **Tuesday 18th June @7-8.30pm & Monday 15th July @7-8.30pm – St Mary's.**

If you're planning on coming... it'd be great if you could let us know – but you can just turn up!
