Harvest Appeal

We will be collecting an additional harvest gift this year for Tearfund.

Middle East Emergency Appeal

One year on from the horrific attack by Hamas on Israel on 7 October, the war in Gaza, Lebanon and other parts of the region is causing devastating humanitarian need, destroying lives across the Middle East.

The suffering across the region is escalating daily

- Over 40,000 people have been killed, hundreds captured, and countless injured. People who have survived these devastating events are now facing the horror of malnutrition and disease.
- Homes have been reduced to rubble; classrooms and hospitals, a dusty wreckage – forcing 90% of the population in Gaza to flee their homes.
- In Lebanon, a new Israeli offensive has killed hundreds and displaced whole communities, putting further strain on extremely limited resources.

How Tearfund is responding

We're currently working with local churches and partners across the Middle East.

- In Gaza, International Health Partners is providing life-saving medicine and desperately needed healthcare.
- In Lebanon, we're working through local churches to provide food, mattresses and other essentials to people forced from their homes by the fighting.
- In the West Bank, we're working with the Diocese of Jerusalem who are providing healthcare and education to those affected.

This is only possible with your support. Please, join us in prayer and give if you can to help us respond to the growing need.
